AMEGY BANK REVEALS REMODELED BANKING CENTER, NEW INNOVATION HUB IN NORTH HOUSTON

HOUSTON (May 18, 2023) — Amegy Bank today reveals its newly-renovated banking center in The Woodlands, TX, located at 4576 Research Forest Dr. The refreshed space now houses The Cannon, an innovation, technology and entrepreneurship hub where North Houston business owners, early-stage founders, corporate partners, advisors and investors can come together to create a new-business ecosystem.

The branch's May 18 renovation reveal marks expansion of Amegy Bank's partnership with The Cannon, following their first shared space in downtown Houston.

"Amegy Bank has served the needs of business owners and families across Houston for over 30 years," said Amegy Bank-Houston President Dave Stevenson. "The banking center's refreshed design, with The Cannon onsite, will revolutionize North Houston's access to localized financial resources tailored for entrepreneurs and small-to-mid-size businesses. The Cannon's building presence will enable local startups and entrepreneurs to move seamlessly through the stages of startup production, with specialized business banking services just downstairs."

The branch features a modernized banking space; a novel client meeting and entertainment area; technology enhancements; and a consolidated and upgraded employee workspace that will bring together multiple business lines including business banking, commercial banking, commercial real estate, enterprise retirement services, mortgage, private banking, retail banking and wealth services.

"The Cannon is thrilled to grow our partnership with Amegy Bank and expand our vision for building entrepreneurial communities in such an exciting and fast-growing area. This expanded partnership will allow The Woodlands' small business community to have access to our unique combination of a dynamic workspace and entrepreneurial community, as well as Amegy Bank's exceptional commercial banking services, all conveniently located in one building," said Jon Lambert, The Cannon CEO.
